To the Board Members;

I have a question and a concern for you to consider.

The Quilts of Honor Group is renting the hall on October 21, 2023 and we are being charged \$220. for a half day's use.

My question is: This is a Veteran's Hall, operated by Veterans for Veterans. Why does an organization founded and run by Veterans have to pay for use of the hall ? Quilts of Honor is run by Veterans, and the entire proceeds from this event will go directly to Veterans only ! This group is non-profit and the only reason for its being is to provide Quilts, support and hugs to well deserving Veterans.

I thought this facility was for Veterans.

Thank you for your time and consideration.
